

KIWICARE®

Dye & Stick

Marker Dye and Sticker for Improved Performance
and Reduced Waste

www.kiwicare.co.nz

Product

Marker dye and sticker that improves spray performance and shows you where you have sprayed.

Benefits and Features

- Contains fluorescent marker dye to show you where you have sprayed
- Minimises waste by avoiding missed areas or double spraying
- Contains sticker spreader to improve performance of spray mixes
- For addition to herbicide, insecticide or fungicide sprays
- Mix 'Dye & Stick' with concentrated products in our LawnPro and Weed Weapon product ranges

Application

Directions

- Shake well.
- Follow directions for dilution of your Weed Weapon and LawnPro concentrate product.
- Add 15 ml of Dye & Stick for each 1 L of diluted concentrate.
- Mix well.
- Apply product as per the directions on your Weed Weapon or LawnPro product.

Tips

- Mix frequently during application.
- For weeds with particularly waxy leaves increase dilution of 'Dye & Stick' to 30 ml/L.

Available As

250 ml Concentrate

Active Ingredients

250g/L anionic dyestuff and wetting agents in the form of a solution concentrate.

Caution

- Wear protective coveralls and gloves. Avoid contact of dye with clothing. Wash contaminated clothing separately
- Do not use in or over water
- Not for use on fruit or vegetables

Regulations

- HSNO Approval code: HSR002503. See www.epa.govt.nz for approval conditions
