PRODUCT BRIEFING DOCUMENT

Overview

Model Name:	600/762mm (24"/30") Adaptable Bolt Cutters
Material Number:	48224124

Product Overview

Milwaukee Bolt Cutters with POWERMOVE™ handles are designed for maximum versatility and durability. POWERMOVE handles extend for easier cuts in tough applications. Forged Steel Blades are custom heat treated for maximum durability. Bolt Lock secures the pivot bolts to prevent loosening. Comfort grip handles won't peel or slide off. Lanyard holes are integrated through the handles for easy tethering.
