

Horizon Heat™ Strip Heaters

Cannon®

The **Cannon Horizon™ Strip Heaters** range delivers a solid seasonal offer for outdoor entertaining. Backed by a 2 year warranty, the product delivers with:

Features

- Horizon Heat™ technology for consistent radiant warmth, backed by the strength rigidity of the wave element design.
- Broad and even heat distribution for your outdoor area.
- High quality outdoor protection, with an IP65 rating, to protect from water and dust.
- Three heat settings to customise your level of warmth.
- Remote control included

Horizon Heat™ delivers a wide heat spectrum for consistent warmth, backed by the strength & rigidity of the wave element design.
