TUATARA GUARD

INNOVATIVE FLOOR PROTECTION

EASY TO USE

- ✓ Keeps new floors clean and free of contamination from dirt and spills

NO STAIN

- ✓ Product will not stain or mark floors

SLIP RESISTANT

- ✓ Product lays flat and chemical slip resistant bottom coating reduces movement on floors

DURABLE

- ✓ Unlike paper-based products Tuatara Guard is designed to absorb spills without reducing its tear strength

COST EFFECTIVE

- ✓ Tuatara Guard is designed for multiple time use, and surface can easily be cleaned through wiping or vacuum; roll up for easy removal and relocation
