10 Year Guarantee

5

Guarantee

5 Year Guarantee on coloured finish

Mains Pressure

Suitable for Mains
Pressure.

Multi Pressure

Suitable for Multi
Pressure.

Flawless Finish

Advanced plating provides a durable surface with a long
lasting finish

Smooth Flow

Aerator reduces scaling while delivering a smooth even flow

Chrome Plate

A base of copper is first applied followed by a layer of nickel and then finally a hard gloss coating of chromium to achieve a shiny hard wearing finish.

Electroplated: Gun Metal

Electrical current is used to dissolve components into Lacquer that then adhere to the surface.

Electroplated: Black

Electrical current is used to dissolve components into Lacquer that then adhere to the surface.

Electroplated: Brushed Nickel

Electrical current is used to dissolve components into Lacquer that then adhere to the surface.

With flat profiling of the spout combined with sleek lines and stylishly good looks, the new ION tapware collection from Elementi is a superior product in both looks (available in 4 finishes) and performance.
