

ELEMENTI

SHOWER ENCLOSURES

CONTENTS

PAGE 2-3

OUR STORY

As an NZ owned family business, our belief in delivering the best, is proven by the fact that we have been supplying bathroom products for over 30 years.

PAGE 3-4

FEATURES

From the premium detailing to invisible fixings, design has been considered down to the very last detail.

PAGE 5-10

EVOLVE

Step into a new world of showering with the Evolve all-in-one enclosure for your bathroom. The European, minimalist design of Evolve uses premium fittings that seamlessly integrate together, to provide a luxurious shower experience.

PAGE 11-18

VERONA

Designed for everyday living. Sleek, modern and minimalist, Verona is quality without the price tag. Designed to look and feel sensational, it combines high quality materials with easy manageability for everyday showering pleasure.

PAGE 19-20

TILE SYSTEM

Enjoy minimalist showering and transform your bathroom with a contemporary enclosure that integrates with tiled finishes.

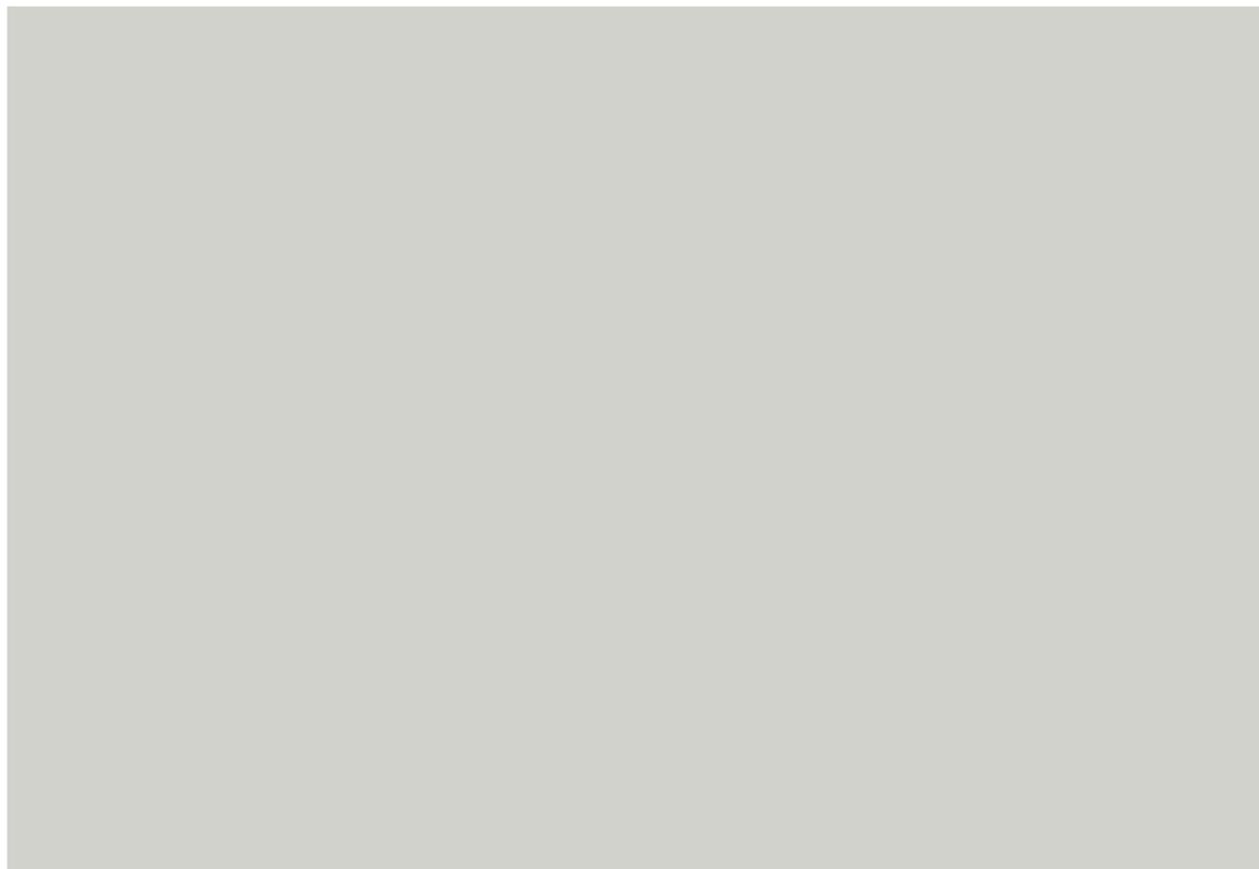

PAGE 21-23

COMPONENTS

Elementi offers a complete range of shower components for spare parts or to help you design your custom showering experience.

THE PRACTICAL AND STYLISH SHOWERING SOLUTION

DESIGNED TO THE LAST DETAIL

From the first sketch to initial design concept to final production and the installation process, quality is the key component, so that ultimately you get to share in our ethos by having your own quality experience when you use an Elementi shower enclosure.

Elementi shower enclosures are strong, durable and stylish. From the premium detailing to invisible fixings, design has been considered down to the very last detail. Our products are made from the highest quality materials, with added design features and installation benefits to make sure that once you have chosen your product, it is easy to install and reliable in its use.

100% NEW ZEALAND OWNED AND OPERATED

Proud of our independence, family origins and values, we continue to focus on quality and innovation to deliver a range of superior solutions, proven by the fact that we have been supplying bathroom products including shower enclosures for over 30 years, with thousands of Kiwi's enjoying our quality shower products day after day, shower after shower.

THE RIGHT ENCLOSURE TO SUIT YOUR SITUATION

Elementi shower enclosures provide a practical and stylish solution to showering. Within our ranges we have a number of sizes in a square or rounded profile to suit your space, pivot or roller doors for easy access as well as corner or centre waste options to fit your plumbing requirements.

SQUARE / 2 SIDED

SQUARE / 3 SIDED

ROUND / 2 SIDED

DOOR OPTIONS

PIVOT HINGED DOOR

These doors swing open to offer wide access, which combined with a side panel creates a light and airy showering area.

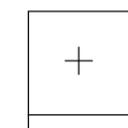

ROLLER SLIDING DOORS

Roller doors glide smoothly out of the way offering maximum access where there is limited space to open a door.

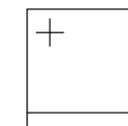

WASTE OPTIONS

CENTRE WASTE

CORNER WASTE

Note: Doors can be fitted to open from either left or right.

A QUALITY PRODUCT

10 YEAR GUARANTEE*

EASY CLEAN PERMANENT PROTECTION WITH NANO GLASS TECHNOLOGY

Nano glass has been specially developed using advanced Nano technology creating a non-stick surface. This award winning technology makes glass easier to clean and resists staining and discolouration and build-up of unsightly limescale and soap deposits.

Totally clear, UV stable and extremely durable, Nano glass won't peel or flake and unlike some other systems you don't need any specialist cleaners or top-up products to maintain its dirt repellent properties. Simply Squeegee and walk away with no need for harsh abrasives on the glass.

SAFETY SHOWER GLASS

To ensure ultimate safety, all Elementi shower enclosures are fitted with toughened 6mm safety glass doors to AS/NZS 2208 standard.

REAR UPSTAND AND FRONT SAFETY LIP

A 40mm upstand at the rear of the tray and interlocking side channels ensure water stays within the tray. Doors and liner are fitted within the tray so water flows back into the tray while in use.

A 5mm safety lip on the front edge of the tray creates more surface to silicone, preventing leakage from under the door or extrusion.

EUROPEAN ACRYLIC LINER

Sold in over 40 countries for over 50 years, Athlone acrylic has stood the test of time. Unlike pure acrylic and cheap wall liners, Athlone European Sanitary Grade Capped ABS Acrylic is more stable, high gloss, impact and scratch resistant and has excellent moulding capabilities. Manufactured to European Standard: EN13559:2003

The liner is available in either a Flat Wall or a Moulded Wall option.

EASILY REMOVEABLE SEALS

High quality shower seal strips are easily removable for cleaning or replacement.

Seals also available in black on black framed showers.

VERSATILE LEFT OR RIGHT DOOR OPENING

To match your room design enclosure doors can be fitted to open from either left or right to suit your space.

SMOOTH STAINLESS STEEL DOOR ROLLERS

Smooth running lockable stainless steel double top rollers and spring-loaded double bottom rollers on round enclosures provide effortless performance. Doors are also fitted with magnetic seals. Removable rollers and door seals also allow for easy cleaning.

Black door rollers are available on black framed showers.

SIMPLE INSTALLATION WITH PATENTED QUICK FIX ADJUSTMENT SYSTEM

New patented locking technology eliminates the need for drilling holes and using fixing screws to hold the shower door to the wall profiles. With a simple push of the lever your Elementi shower is locked and fitted into place, with easy adjustment if required for uneven walls. This patented design will save you time and money.

WEIGHT TESTED REINFORCED TRAY

A stronger timber and fibreglass commercially reinforced tray ensures self-supporting rigidity tested to 200kg.

At 65mm high, the low profile tray also allows for easy access into shower.

A TALLER SUPERIOR DOOR

Having a 1950mm high door is more user friendly for taller people and allows a higher position for the shower rose. Doors are also fitted with large dual sided stainless steel chrome handles.

All Elementi shower liners are also extended height.

PEACE OF MIND

As you would expect from Elementi, all shower enclosures exceed all safety, functionality and performance tests within current New Zealand Standards. All enclosures are backed up by a 10 year guarantee for added peace of mind.

10 YEAR GUARANTEE*

EVOLVE

PREMIUM SHOWER ENCLOSURES

STEP INTO A NEW WORLD OF SHOWERING WITH THE EVOLVE ALL-IN-ONE ENCLOSURE FOR YOUR BATHROOM. THE EUROPEAN, MINIMALIST DESIGN OF EVOLVE WITH SMOOTH TRAY AND SQUARE WASTE, USES PREMIUM FITTINGS THAT SEAMLESSLY INTEGRATE TOGETHER, TO PROVIDE A LUXURIOUS SHOWER EXPERIENCE.

It is important to keep these glass panels free of grime. If left, the build up of grime can result in permanent staining. Please follow these instructions below to minimize the possibility of staining from standard everyday use.

- Dry glass panels thoroughly after each use. For best results use a window squeegee or dry towel)
- Use glass cleaner that has been designed for glass
- Never use harsh or abrasive cleaners (these cleaners may also contain ammonia or peroxide).

Note: these instructions are a guide for maintaining the appearance of the shower door, however any staining that may still occur is not covered under warranty.
