

HANDIPLY® Plywood Products: Garage Ply

<p>Product Description</p>	<p>Handiply® Garage Ply plywood is a layered panel made from New Zealand pine wood veneers manufactured by Carter Holt Harvey Plywood Limited (CHH Plywood) in a CD surface finish with a 'V' groove profile running along the sheet at 100 mm centres. The panels are nominally 12 mm thick and available in square edge or tongue and groove and 2400x1200 in size. The panels are non-structural and are available untreated only.</p> <p>Non-structural plywood may contain sheet imperfections including, but not limited to, edge damage, core overlaps and surface inconsistencies.</p>
<p>Scope of Use</p>	<p>Handiply® Garage ply plywood is targeted for usage as a non-structural internal lining where bracing capacities are not required.</p> <p>Where structural plywood is required, refer to the relevant Ecoply or Shadowclad literature at www.ecoply.co.nz or www.shadowclad.co.nz</p>
<p>Limitations / Disclaimer</p>	<p>Handiply Garage Ply plywood must not be used in any applications requiring compliance with the New Zealand Building Code (NZBC) or in applications where structural performance, including bracing applications, is required.</p>
<p>Compliance with the New Zealand Building Code</p>	<p>Handiply Garage Ply plywood, will only meet the following provisions of the NZBC:</p> <p>Clause F2 Hazardous Building Materials: F2.3.1</p> <p>Handiply Garage Ply plywood meets this requirement and will not present a health hazard to people.</p>
<p>Sustainability</p>	<p>Handiply Garage Ply plywood is manufactured from plantation pine grown in New Zealand. It is grown on tree farms which are tended and harvested to provide wood for plywood manufacture and other applications. The crop is managed on a sustainable basis to yield millable trees. New Zealand plantations are managed in compliance with the New Zealand Forest Accord, a voluntary agreement signed in 1991 between New Zealand forest managers and environmental non-government organisations.</p> <p>Handiply Garage Ply plywood is manufactured in New Zealand, at the CHH Plywood Tokoroa Plywood Mill. Ecoply is available Forestry Stewardship Council (FSC) Certified on request (FSC-C012019).</p>
<p>Product Support</p>	<p>CHH Plywood provides extensive product support for our full range of wood based building products. By visiting www.handiply.co.nz you can access all the latest information regarding our products including Product Guides, Specification and Installation Guides, Technical Notes, Information Bulletins, CAD Drawings, Design Software and other useful information. In addition to this CHH Plywood have a team of Technical Experts available to assist with any product enquiries. You can contact the team by calling 0800 326 759 or by emailing info@handiply.co.nz.</p>
