

Series 9

flexible exceptional
beautifully designed

Series 9 represents the very best of Honeywell's doorbells that have been designed to work in perfect harmony with family homes and busy lifestyles. Portable, versatile and innovative, they grow with your family and adapt to suit your lifestyle.

Featuring Honeywell ActivLink™ technology, these doorbells boast an impressive 200m wireless range, meaning they can be carried throughout the home and garden and still let you know when there's a visitor at the door. ActivLink also enables our doorbells to link with our Home Alarm products, such as Door and Window Sensors or Wireless Motion Sensors to create simple early alert and door entry systems for added peace of mind.

Simple to set up and install, Honeywell Series 9 doorbells are pre-linked and ready to go from the moment of purchase, with nothing more to worry about thanks to a 5 year battery life, and a 2 year product guarantee.

DC917NGA
