

Overview

Model Name:	MX FUEL™ Compact Core Drill Stand
Material Number:	MXFDR150

Product Overview

MX FUEL™, Milwaukee®'s new equipment system, goes beyond the limitations of petrol and corded units, utilising the industry's most advanced batteries, motors, and electronics to deliver the best experience for users. This is equipment, redefined. The MX FUEL™ Compact Core Drill Stand turns the handheld core drill into a portable, lightweight, rig-mounted solution for versatile coring of holes up to 152 mm. The Compact Core Drill Stand features easy to adjust angled mast settings, and provides the user with the option to anchor or vacuum the base of the stand, presenting a versatile solution for coring on the job site. Compatible with the M18™ SWITCH TANK™ 15L Backpack Water Tank Supply with Powered Base, onboard Quick-Connect allows the user to core in both wet and dry applications, as the universal quick connect hose ensures simple and effective wet coring in the toughest applications.

Features and Benefits

For drilling holes up to 152mm
Integrated vacuum base allows for vacuum or traditional anchoring of stand
Universal 60mm quick connect motor bracket
Compatible with M18™ SWITCH TANK™ 15L Backpack Water Tank Supply with Powered Base

Specifications
