PRODUCT BRIEFING DOCUMENT

Overview

Model Name:	MX FUEL™ Handheld Core Drill
Material Number:	MXFD150-0C

Product Overview

MX FUEL™, Milwaukee®'s new equipment system, goes beyond the limitations of petrol and corded units, utilising the industry's most advanced batteries, motors, and electronics to deliver the best experience for users. This is equipment, redefined. The MX FUEL™ Handheld Core Drill allows users to core with more confidence through maximum control and enhanced safety with a patented clutch and AUTOSTOP™ technology that prevents over-rotation in case of the machine getting bound up. It delivers the power to core up to 152 mm holes in reinforced concrete while the integrated pressure gauge helps provide the most efficient drilling pressure to maximise productivity and runtime. Coupled with the LED level, this ensures easy, accurate holes while handheld. Compatible with the M18™ SWITCH TANK™ 15L Backpack Water Tank Supply with Powered Base, onboard Quick-Connect allows the user to core in both wet and dry applications, as the universal quick connect hose ensures simple and effective wet coring in the toughest applications. The MX FUEL™ Handheld Core Drill has a compatible Core Drill Stand that is also available (sold separately). The MX FUEL™ Handheld Core Drill is ONE-KEY™ compatible, allowing users to track and manage the tool.

Features and Benefits

AUTOSTOP™ technology and a patented clutch provide maximum control and prevent over-rotation in case the machine gets bound up
Integrated Pressure Gauge helps provide the most efficient drilling pressure to maximise productivity and runtime
Onboard water connection allows both wet and dry coring; a universal quick connect hose ensures simple and effective wet drilling in the toughest applications
Power to core 152mm (6") holes in reinforced concrete
Two speed settings, optimised for holes sized 25-76 mm and 76-152 mm

Specifications

Platform	MX FUEL™
RPM (Min / Max)	800 / 1,600
Bit Capacity	152.4mm (6")
Spindle Sizes	1-1/4"-7 Spindle Thread
Length	548mm
Weight (Tool only)	9.8kg
Warranty	2 Years

Product Includes

1x MXF DCD150 Handheld Core Drill	
1x Quick-Connect	
1x Spindle Adaptor	
1x Trigger Lock-On	
1x Side Handle	
Carrying Case	
[Battery and Charger Not Included]	
<b>Unique Selling Points</b>	
MX FUEL™ Handheld Core Drill	
<b>Key Messaging</b>	
SAFE HANDHELD CORING.	
POWER TO CORE UP TO 152mm HOLES IN REINFORCED CONCRETE.	
FAST SETUP FOR VERSATILE CORING.
